MESSAGE

It is a matter of great pride, happiness and pleasure to handover a soft copy of Souvenir “Reminiscences-2017” to young teen-agers of Nineteenth passing out Batch (2013-2017) who have been transformed into mature adults, ready to shoulder responsibilities. May this souvenir prove to be a treasure of the fondest memories of your four years stay in the Institute that will be cherished through out life.

This attempt, I believe, shall go a long way to keep memories live in their minds about the period spent together at the college. With passing time, it shall become a great source of reviving and refreshing old college contacts. This momento will also help the students to maintain contact with one another as well as with their Alma Mater.

I congratulate the students for successfully completing their B.Tech., Degree in this institute and bringing the repute of the institute to the forefronts of Indian Technical Scene. I wish our future Engineers all the very best of luck and pray to ALMIGHTY to provide you the courage and energy to chase the dreams which I am sure will definitely come true.

Your Alma Mater holds high hopes and expects that the name and fame earned in your areas of future activities will bring glory and pride to this institute through your hardwork, dedication and sincerity toward your profession.

I take this opportunity to wish you all the best for your future endeavors.

(Dr. T. S. Sidhu)
Director

MESSAGE

It is a matter of great pride and pleasure that the seventeenth batch of students (2013-2017) of our college is graduating this year to begin their itinerary as professionals treading the hitherto unknown paths of life.

As the students are real ambassadors of any institute to the outside world, the level of expectations touch a new height with every passing out batch. Whatever may be the level of competition, hard work with determination remains keys to success as always. Given the credentials of the passing out students, we are sure that they will come up with flying colours in all walks of their lives.

I on behalf of Department of Applied Science & Humanities wish you all a very successful and satisfying future.

MESSAGE

It is a pleasure to learn that “Reminiscences-2017” is being brought with the noble objective to preserve the memories of the Eighteenth passing out Batch of Graduating Engineers of Year 2017. This memento would turn out to be a handy means, to all of us and our students to make a sojourn into the memory lanes in the world of nostalgia of sweet and sour moments of the past.

On leaving this college, you will enter a new phase of life. You will come across ample avenues and opportunities which, if not selected and availed of sagaciously, might take your regret. You would recognize the fact that winning degrees alone and being academically good is essential but not sufficient. A total personality development, integrating intellectual capabilities, practical knowledge and skills as well as other personal characteristics are required to succeed in life be it as an employee or self-employer entrepreneur or for doing business or as a researcher.

I wish our future Engineers all the very best of luck and pray to ALMIGHTY GOD to provide you the courage and energy to chase the dreams which I am sure will definitely come true. Your Alma Mater holds high hopes and expects that name and fame earned in your areas of future activities will bring glory to it.

(Mr. J.K. Aggarwal)
Registrar

MESSAGE

It gives me immense pleasure to have this opportunity to address you in this souvenir being published to commemorate the passing out of 2013-17 batch.

As you leave this institution, I am certain that you are taking along not just knowledge about various disciplines of engineering, but also important life lessons and skills learnt outside the classrooms through interactions with your fellow students and teachers. No matter where destiny takes each one of you, I'm sure you will always think about your alma mater with fondness and nostalgia.

I hope that all of you have remarkable careers, and that you bring glory to this institution and the nation. It will give me a great deal of satisfaction if some of you decide to pursue a career in research – unfortunately a low-priority area for most engineering graduates – because research is undoubtedly the driving force behind the economic growth of a nation in this age of science and technology.

I congratulate you and your parents on the successful completion of your degree, and I wish all of you success in your future endeavors.

Dean PG Studies & Research

MESSAGE

It is a pleasure to learn that the Souvenir Reminiscences-2017 is being brought out with the objective to preserve the memories of the outgoing students of year 2017. This handy memento bearing sweet and sour memories of the past would not only be a prized possession of the students but an invaluable document of the college achievements too.

This Souvenir will serve as a link to the era gone by. We hope that the students will be able to fulfill their aspirations, making their parents and teachers proud of their achievements. I on behalf of office of Dean Academics wish them best of luck.

MESSAGE

“Believe in yourself and all that you are. Know that there is something inside you that is greater than any obstacle.” — Christian D. Larson

Four years back, you came to this prestigious institute as young enthusiastic beings, and today, you leave as matured people ready to face the real world. This is the time of your life, where you choose a lifetime career for you and make your identity. Now is the time when you get serious about life and step into your further profession. When I see you today, I see leaders of tomorrow and this brings a great sense of satisfaction to me. You gave us a memorable time with great humour and joyous memories to cherish.

My dear students, as you leave this college, expect that some challenges await you, which of course, I strongly believe going by your antecedents and the manner you have conducted yourselves over the years and the skills and knowledge we have imparted in you, you will surely overcome them.

At this point, I want to implore my dear outgoing students to always see yourselves as good ambassadors of this college and never allow selfish interest to blemish the integrity that you have nurtured over the years in this great institute. Be kind and good to people you meet on your way up. Think big thoughts and be optimistic in whatever you are doing.

On behalf of the SBSSTC family, I bid you farewell and wish you best of luck in your days ahead.

May God bless you all!

MESSAGE

It is a matter of pleasure that the Souvenir is being brought out for the nineteenth batch of the college for 2013-2017 batch. These students are going out of the college to embark on a lifelong journey of professional accomplishments. Being equipped with sound technical skills and fundamentals, I believe the students are bound to touch the horizons in their future endeavors. They will definitely contribute positively professionally as well as to the advancement of society.

I wish them BEST OF LUCK for all the efforts they make and the goals they seek.

MESSAGE

It is a matter of great pride, happiness and pleasure to handover the Souvenir "Reminiscences-2017" in form of soft copy to young students of Nineteenth passing out Batch (2013-2017) of our institute.

On this occasion I thank Hon'ble Director Dr. T. S. Sidhu for providing this opportunity to carry out this task. I would also like to acknowledge the efforts and pains taken by all the Student members of Souvenir Committee who all worked assiduously to compile the reminiscences.

Dear students, "You are the nation-builders. You are the movers of technology. You are the agents of change." It is our fervent hope that the years that you have spent in SBSSTC would have enabled you to equip with leadership and managerial skills. The knowledge that you have gained, the fine qualities that you imbibed and the technical skills that you have learnt to apply will be your major contribution to your parents, to society, and to the nation at large. We invest our trust on you. You are our safe source and we bank all our efforts on you. There are strong challenges to great efforts but, always remember, great effort bears the sweet fruit of success. We want you to taste the fruit of success once and for the rest of your life.

Remember the words "You don't have to be great to start, but you have to start to be great."

I take this opportunity to convey my best wishes to all of you for your professional career ahead. Hope that all of you have a brilliant, promising a challenging career ahead.....

Message

It is an immense pleasure for me to contribute to Souvenirand address the outgoing batch of students of this institute. I, on behalf of whole CSE department, would like to congratulate all the passing out students and give them warm wishes and good luck for the new world that they are going to encounter.

Since it's a genesis to a new life and time to plunge into a professional environment so only the three truths can lead you to achieve your goal that is hard work, determination and perseverance. For a true engineer it should be a belief that every problem might not have a solution right now but every solution once was a problem. It's the process that matters and not just the outcome. With this I wish the students a bright and successful future ahead. May they all emerge like shining stars and make the institute feel proud.

MESSAGE

It's a matter of great pleasure that yet another time souvenir 'REMINISCENCES' is being published for the passing out batch.

Souvenir not only keeps all batch-mates in touch but also brings smile on our faces whenever we look at.

College souvenir, selfies with friends and group photo etc. are means of preserving sweet memories of college life.

Being a teacher, I wish all our graduating students a very healthy and prosperous future.

MESSAGE

It gives me immense pleasure to learn that the Reminiscences 2017 for students of batch 2012 is being brought out with the objective to relish memories of their stay in this institute. This will help the students to remain in touch with each other as well their Alma mater.

I am sure all of you have prepared your-selves thoroughly to thrive & prosper, complete and conquer, to raise the pinnacle of glory .May you excel, innovate and accomplish great thing in your life, accepting failures with a smile as you march ahead. I wish that through your continuous engagement with alma mater, you will be able to become torch bearers for Science and Technologies & for the advancement of Nation & Society at large.

I extend my best wishes for the success of outgoing batch of Electrical Engineering Department.
